Invoice Summary

Scope of Work:

- Inspect and repair the economizer system due to over-pressurization causing the doors to blow open when the back garage door is shut.

Resolution:

- Programmed and adjusted the economizer percentage from 15 to 10 as advised by Trane Tech Support.
- Tested the entire economizer system as per the provided instructions.
- Successfully restored the functionality of the units.
- Requested the manager of Family and Home to keep us updated on the system's performance.
